BURLESQUE THE MUSICAL

After taking the West End by storm - where it became summer 2025's biggest hit, selling out night after night - **Burlesque A BIG New Musical** is coming to Nottingham in February 2027.

From executive producer Christina Aguilera and written by Steven Antin, based on the hit movie, **Burlesque** invites you to a club like no other: a hidden world beneath the city lights where sequins sparkle, seduction shimmers and lives can change in the flick of a feather boa.

When Ali arrives in New York searching for the mother she never knew, she stumbles upon a dazzling underground scene alive with music, movement, and mystery. Drawn into this intoxicating world, she begins to uncover her extraordinary voice - and finds an unexpected family of dreamers, misfits and schemers who will change her life forever.

Burlesque is a scintillating journey of self-discovery that absolutely sizzles, featuring powerhouse songs by Christina Aguilera, Sia and Diane Warren, alongside new numbers from Todrick Hall and Jess Folley.

THE FULL MONTY

SOMETIMES YOU HAVE TO BARE EVERYTHING!

Celebrating the 30th anniversary of the iconic film that took British cinema by storm, **The Full Monty** is back by popular demand.

There are no heroes in Simon Beaufoy's heartfelt play, just a group of lads trying to regain their dignity and pride. This fast and funny play is still very much of our time, as again we are hit by a cost-of-living crisis. Gaz and his mates are down on their luck and feel they have been thrown on the scrap heap, but they are determined to fight back and bare a little more than they ever thought they would have to.

As in the 1997 smash hit film, this production is a rollercoaster ride of ups and downs, laughs and heartbreak. Book now to relive the music of the 90's and have a great night out in the company of our group of lads as they work to put on the show of their lives.

Starring **Kevin Clifton** (*Strictly Come Dancing*, *Priscilla Queen of the Desert UK & Ireland Tour 2026*) as Gaz, **Stewart Wright** (*Doc Martin*, *The Upstart Crow – Apollo Theatre*) as Dave, **James Gaddas** (*Coronation Street*, *The Rocky Horror Picture Show UK Tour*) as Gerald, **Ben Onwukwe** (*The Full Monty UK Tour 2024*, *The Shawshank Redemption UK Tour*) as Horse, **Jon-Paul Bell** (*Hollyoaks*, *Masters of Air*) as Guy and **Zrey Sholapurkar** (*Lark Rise to Candleford – The Watermill Theatre*, *The History Boys UK Tour*) as Lomper.

MATTHEW BOURNE'S CINDERELLA

Music by Prokofiev

London 1940. The Blackout. A siren sounds...

New Adventures return to Nottingham with the 30th Anniversary celebration of one of their most popular and beloved productions, **Matthew Bourne's Cinderella** – a thrilling and evocative love story, set in London during the Second World War.

Matthew Bourne's epic interpretation of the classic fairytale, has, at its heart, a true war-time romance. A chance meeting results in a magical night for Cinderella and her dashing young RAF pilot, together just long enough to fall in love before being parted by the horrors of the Blitz.

With Lez Brotherston's glorious Olivier Award-winning designs, lighting by Olivier Award-winning Neil Austin and video and projection designs by Duncan McLean, **Cinderella** features sensational sound design by Paul Groothuis which will take the audience into the heart of Prokofiev's magnificent score, and the sights and sounds of war-torn London.

Cinderella is both a tribute and a testament to the spirit of London during a time when every second counted and lives were changed forever. Bourne's vivid storytelling has never been more heart-stopping and touching, creating a unique and unforgettable depiction of a familiar but timeless fable.

THE OTHER SIDE OF MURDER

From the producers of the hit classics *Murder at Midnight* and *Murder in the Dark*, comes a wickedly entertaining new thriller: **The Other Side of Murder** with a star cast including **Rufus Hound** (*One Man, Two Guvnors*), the return of national treasure **Susie Blake** (*Coronation Street*) and **Carla Mendonça** (*My Parents are Aliens*).

When celebrated TV medium Darius Divine, host of hit light-entertainment show The Other Side, plans a cosy family dinner, he expects awkward small talk. He doesn't expect his pregnant lover, his Gilbert and Sullivan-obsessed mother-in-law, or a night of ghostly visitations and explosive revelations.

As dinner burns and tensions rise, the line between performance and reality begins to shatter. Secrets surface. Jealousies ignite. And a final twist lands that no one will see coming.

Funny, shocking and deliciously unsettling, this is a wild theatrical ride that will have audiences laughing one minute and gasping the next.

Book now - and ask yourself: what's waiting on the other side?

DISCOVER YOUR THEATRE

TRCH offer half-day visits for primary schools to learn through storytelling how the Theatre Royal was designed and built in the Victorian times and the social history of theatre-going. Children learn specific theatre design terminology before getting the chance to design their very own theatres in a craft workshop. The programme has been designed with key areas of the curriculum (History/Art/English) in mind and the uses the theatre buildings and archive to tell stories of the past and highlight the theatre's local significance today as a landmark building and working arts venue.

Maximum of 30 pupils per visit, suitable for KS1 and KS2, £5 per pupil.

For further information and bookings please contact **georgina.donohue@nottinghamcity.gov.uk**

BEFORE I GO TO SLEEP

Memories lie... people do too.

Acclaimed actor, author and podcaster **Giovanna Fletcher** stars in the world stage premiere of **Before I Go To Sleep**. Based on the international bestselling novel that became a hit film starring Nicole Kidman and Colin Firth.

Christine appears to have an idyllic life... with one terrible exception. Every night, when she goes to sleep, she loses her memory. Every morning she wakes up remembering nothing from the last 20 years of her life – not even the loving husband lying next to her. As she desperately tries to piece her life back together, hidden and terrifying truths begin to emerge, forcing her to question everything.

Adapted for the stage by **Rachel Wagstaff** and directed by **Loveday Ingram,** the team behind the hugely successful stage adaptation of *The Girl on the Train*, this tense, fast-paced, psychological thriller explores the fragile vulnerability of memory, identity and trust, with twists and turns that will keep you gripped until its shocking climax.

'MESMERISING AND UNSETTLING... THE BEST DEBUT THRILLER FOR YEARS.'
