Updates

The Theatre Royal & Royal Concert Hall have moved to offering GOV WiFi. To use this free guest WiFi you will need to register for a username and password. You only need to complete this once. Instructions for how to register are available on our website in the Access User Guide Section or visit: www.wifi.service.gov.uk/connect-to-govwifi

Alternatively, please ask a member of staff when you next visit.

The Mobile Connect Hearing Enhancement has been updated to work on this WiFi.

The venue holds regular familiarisation sessions should you need additional support in connecting your smart device to the WiFi and the Mobile Connect App.

Please email trch.access@nottinghamcity.gov.uk if you are interested in attending a future familiarisation session.

We have two hearing enhancement systems to choose from: an infra-red Sennheiser transmission system (which operates using your hearing aid and a venue neck loop) or Mobile Connect (a WiFi enabled system which works in conjunction with an app on your smartphone).

For further information or to book tickets please visit www.trch.co.uk or call 0115 989 5555. Alternatively, email us at TRCH.boxoffice@nottinghamcity.gov.uk
